Dear clockenthusiast and Mechanica customer,

thank you for choosing a precision clock from our Manufacture.
You certainly have assembled your clock kit Mechanica M1 and it is ticking already.

If you no longer have any use for the expensive foam packaging of your Mechanica M1 and the packaging is largely undamaged, simply send it back to Müller & Sattler Uhrenbausatz GmbH. Please contact us by e-mail: info@uhrenbausatz.de or by telephone: +49 89 89 55 806 0, we will arrange the return for you. The re-use avoids unnecessary waste and thus an environmental impact.

By answering the following questions, you help us to develop this product and the service more customer orientated. We also can keep you informed what accessories and additional kits we will offer in the future.

Protection of data privacy

We assure you, that all informations are treated confidential and will not be passed to other persons.

Best regards, Müller & Sattler Uhrenbausatz GmbH
